Goal:
To help design as many high
quality courses as possible to
grow the sport of disc golf.

Austin is a promoter and player of the sport. He joined the DiscGolfPark® team in March of 2015 and has been involved in the management and sale of 10 courses in North America since that time. Before becoming a member of our staff he was the Founder and President of the Colorado State Disc Golf Club.

Notable roles in the sport:

1. DiscGolfPark® Course Designer and Sales Representative.
2. Course Manager of the first Disc Golf World Tour event
3. President and Founder of the Colorado State University Disc Golf Club.
4. Board Member of the Northern Colorado Disc Golf Club
5. Responsible for running clinics for schools in Northern Colorado

Awards:

1. 2012 and 2015 National Collegiate Disc Golf Association 1st team All-American
2. 2012 National Collegiate Disc Golf Association National Champion
3. Bachelors of Arts from Colorado State University.

Top 5 recent course design projects:

1. 2016 Disc Golf World Tour Event, La Mirada, CA
2. Pessimist DiscGolfPark®, Fort Morgan, CO
3. Solstice DiscGolfPark®, Whitehorse, Yukon Territory, Canada
4. North Las Vegas Municipal Par 3 DiscGolfPark®, North Las Vegas, NV
5. Nicklas DiscGolfPark®, Beaumont, CA

With each of these projects, DiscGolfPark® provided expert planning and course design, resulting in safe, challenging, and fun to play courses. Each project consisted of an evaluation of the proposed course area, discussion with customer to ensure specific needs were met, layout and design of the course, mapping and in depth graphical design, and detailed instructions regarding installation of equipment (TeeSigns, TeePads, InfoBoards, and DisCatchers). When tree clearing and landscaping was necessary, we provided detailed instructions to the parties handling these activities to assure they were done to DiscGolfPark®'s standards.
