## Dana Vicich

Course Designer

### Role:

Course Designer

### Education:

B.S. Recreation & Park Administration - Recreation Management,  
Illinois State University, 2007

### Goal:

I am committed to working to deliver quality DiscGolfPark courses that people of varying ages and skill levels can safely enjoy.

Dana is a household name inside of the disc golf world. First known as a touring professional player, he is now widely recognized for his role in promoting the sport through media and course design. He joined the DiscGolfPark team in late 2015 and is now focused on growing the sport through course design. The quality of Dana's course designs can be attributed to his many experiences within the sport and also his time working in both the public and private recreation field.

Notable roles in the sport:

1. DiscGolfPark Course Designer and Sales Representative
2. Touring Professional 2008-2015
3. Tournament Director
4. SmashboxxTV- Podcast Contributor and Live Broadcast Color Commentator
5. Sponsored Athlete with Discmania Discs

Top 5 recent course designs:

1. The Meadows DiscGolfPark, Tinley Park, IL
2. Rolling Knolls (Forest Preserve)- Elgin, IL
3. Horizon Park, Carol Stream, IL
4. Pine Hills (Golf Course), Ottawa, IL
5. Riverview Disc Golf Course- Pontiac, IL

With each of these projects, Dana provided expert planning and course design, resulting in safe, challenging and fun to play courses. Each project consisted of an evaluation of the proposed course area, discussion with customer to ensure specific needs were met, layout and design of the course, mapping and in depth graphical design, and detailed instructions regarding installation of equipment. When tree clearing and landscaping was necessary, he provided detailed instructions to the parties handling these activities to assure they were done to highest standards.
